LAWS RELATING TO FIREARMS

For distribution by the
Members of the General Assembly

HARRISBURG, PENNSYLVANIA
Revised March 3, 2017

INTRODUCTION

The laws of Pennsylvania relating to firearms were originally compiled by the Legislative Reference Bureau in 1993 primarily for distribution by members of the General Assembly. This edition updates the original compilation through Act 175 of 2016.

This compilation is unofficial and includes only portions of the Constitution of Pennsylvania and the statutes of this Commonwealth. While every effort has been made to identify all relevant material within the scope of this publication, it is possible that some provisions have been omitted either intentionally or inadvertently.

In general, the statutes are included verbatim. Editorial additions are indicated by brackets; the omission of parts of sections not relevant to the compilation are indicated by the use of “* * *”.

The appropriate printed statutes should be consulted for official purposes. Official versions of statutes are published in the Laws of Pennsylvania and the Pennsylvania Consolidated Statutes. The legal citation for each section appears at the end of the section. A comprehensive list of all legal citations can be found at the end of the compilation.

This compilation is the result of a search of the database for statutes pertaining to firearms. The terms used in the search for applicable statutes included the singular and plural of the following terms: firearm, ammunition, pistol, arms, gun, rifle, weapon, trigger, gunpowder, shot, cartridge, shoot, rimfire, muzzleloader, revolver, bullet, centerfire and center fire.

This publication may be reprinted without obtaining specific permission from the Legislative Reference Bureau.

PENNSYLVANIA LAWS RELATING TO FIREARMS

PART I CONSTITUTIONAL RIGHT TO BEAR ARMS

§ 21. Right to bear arms.

The right of the citizens to bear arms in defense of themselves and the State shall not be questioned.

(Pennsylvania Constitution, Article I, Section 21)

PART II ENFORCEMENT OF LAW

Chapter 1. Pennsylvania State Police

§ 6111.1. Pennsylvania State Police.

(a) Administration.—The Pennsylvania State Police shall have the responsibility to administer the provisions of this chapter [18 Pa.C.S. Ch. 61 (relating to firearms and other dangerous articles)].

(b) Duty of Pennsylvania State Police.—

(1) Upon receipt of a request for a criminal history, juvenile delinquency history and mental health record check of the potential purchaser or transferee, the Pennsylvania State Police shall immediately during the licensee's call or by return call forthwith:

(i) review the Pennsylvania State Police criminal history and fingerprint records to determine if the potential purchaser or transferee is prohibited from receipt or possession of a firearm under Federal or State law;

(ii) review the juvenile delinquency and mental health records of the Pennsylvania State Police to determine whether the potential purchaser or transferee is prohibited from receipt or possession of a firearm under Federal or State law; and

(iii) inform the licensee making the inquiry either:

(A) that the potential purchase or transfer is prohibited; or

(B) provide the licensee with a unique approval number.

(2) In the event of electronic failure, scheduled computer downtime or similar event beyond the control of the Pennsylvania State Police, the Pennsylvania State Police shall immediately notify the requesting licensee of the reason for and estimated length of the delay. If the failure or event lasts for a period exceeding 48 hours, the dealer shall not be subject to any penalty for completing a transaction absent the completion of an instantaneous records check for the remainder of the failure or similar event, but the dealer shall obtain a completed application/record of sale following the provisions of section 6111(b)(1) and (1.1) (relating to sale or transfer of firearms) as if an instantaneous records check has not been established for any sale or transfer of a firearm for the purpose of a subsequent background check.

(3) The Pennsylvania State Police shall fully comply, execute and enforce the directives of this section as follows:

(i) The instantaneous background check for firearms as defined in section 6102 (relating to definitions) shall begin on July 1, 1998.

(ii) The instantaneous background check for firearms that exceed the barrel lengths set forth in section 6102 shall begin on the later of:

PENNSYLVANIA LAWS RELATING TO FIREARMS

- (A) the date of publication of the notice under section 6111(a)(2); or
- (B) December 31, 1998.

(4) The Pennsylvania State Police and any local law enforcement agency shall make all reasonable efforts to determine the lawful owner of any firearm confiscated or recovered by the Pennsylvania State Police or any local law enforcement agency and return said firearm to its lawful owner if the owner is not otherwise prohibited from possessing the firearm. When a court of law has determined that the Pennsylvania State Police or any local law enforcement agency have failed to exercise the duty under this subsection, reasonable attorney fees shall be awarded to any lawful owner of said firearm who has sought judicial enforcement of this subsection.

* * *

(d) Distribution.—The Pennsylvania State Police shall provide, without charge, summaries of uniform firearm laws and firearm safety brochures pursuant to section 6125 (relating to distribution of uniform firearm laws and firearm safety brochures).

(e) Challenge to records.—

(1) Any person who is denied the right to receive, sell, transfer, possess, carry, manufacture or purchase a firearm as a result of the procedures established by this section may challenge the accuracy of that person's criminal history, juvenile delinquency history or mental health record pursuant to a denial by the instantaneous records check by submitting a challenge to the Pennsylvania State Police within 30 days from the date of the denial.

(2) The Pennsylvania State Police shall conduct a review of the accuracy of the information forming the basis for the denial and shall have the burden of proving the accuracy of the record. Within 20 days after receiving a challenge, the Pennsylvania State Police shall notify the challenger of the basis for the denial, including, but not limited to, the jurisdiction and docket number of any relevant court decision and provide the challenger an opportunity to provide additional information for the purposes of the review. The Pennsylvania State Police shall communicate its final decision to the challenger within 60 days of the receipt of the challenge. The decision of the Pennsylvania State Police shall include all information which formed a basis for the decision.

(3) If the challenge is ruled invalid, the person shall have the right to appeal the decision to the Attorney General within 30 days of the decision. The Attorney General shall conduct a hearing de novo in accordance with the Administrative Agency Law. The burden of proof shall be upon the Commonwealth.

(4) The decision of the Attorney General may be appealed to the Commonwealth Court by an aggrieved party.

(f) Notification of mental health adjudication, treatment, commitment, drug use or addiction.—

(1) Notwithstanding any statute to the contrary, judges of the courts of common pleas shall notify the Pennsylvania State Police, on a form developed by the Pennsylvania State Police, of:

- (i) the identity of any individual who has been adjudicated as an incompetent or as a mental defective or who has been involuntarily committed to a mental institution under the act of July 9, 1976 (P.L.817, No.143), known as the Mental Health Procedures Act, or who has been involuntarily treated as described in section 6105(c)(4) (relating to persons not to possess, use, manufacture, control, sell or transfer firearms) or as

described in 18 U.S.C. § 922(g)(4) (relating to unlawful acts) and its implementing Federal regulations; and

(ii) any finding of fact or court order related to any person described in 18 U.S.C. § 922(g)(3).

(2) The notification shall be transmitted by the judge to the Pennsylvania State Police within seven days of the adjudication, commitment or treatment.

(3) Notwithstanding any law to the contrary, the Pennsylvania State Police shall, within 72 hours of receipt, disclose, electronically or otherwise, to the United States Attorney General or a designee, any record relevant to a determination of whether a person is disqualified from possessing or receiving a firearm under 18 U.S.C. § 922 (g)(3) or (4) or an applicable state statute, and any record relevant to a determination of whether a person is not disqualified or is no longer disqualified from possessing or receiving a firearm under 18 U.S.C. § 922(g)(3) or (4) or an applicable state statute.

(g) Review by court.—

(1) Upon receipt of a copy of the order of a court of competent jurisdiction which vacates a final order or an involuntary certification issued by a mental health review officer, the Pennsylvania State Police shall, after disclosing relevant records under subsection (f)(3), expunge all records of the involuntary treatment received under subsection (f).

* * *

(3) The Pennsylvania State Police, after disclosing relevant records under subsection (f)(3), shall expunge all records of an involuntary commitment of an individual who is discharged from a mental health facility based upon the initial review by the physician occurring within two hours of arrival under section 302(b) of the Mental Health Procedures Act and the physician's determination that no severe mental disability existed pursuant to section 302(b) of the Mental Health Procedures Act. The physician shall provide signed confirmation of the determination of the lack of severe mental disability following the initial examination under section 302(b) of the Mental Health Procedures Act to the Pennsylvania State Police.

* * *

(i) Reports.—The Pennsylvania State Police shall annually compile and report to the General Assembly, on or before December 31, the following information for the previous year:

Chapter 2. Police Powers Generally

§ 508. Use of force in law enforcement.

(a) Peace officer's use of force in making arrest.—

(1) A peace officer, or any person whom he has summoned or directed to assist him, need not retreat or desist from efforts to make a lawful arrest because of resistance or threatened resistance to the arrest. He is justified in the use of any force which he believes to be necessary to effect the arrest and of any force which he believes to be necessary to defend himself or another from bodily harm while making the arrest. However, he is justified in using deadly force only when he believes that such force is necessary to prevent death or serious bodily injury to himself or such other person, or when he believes both that:

(i) such force is necessary to prevent the arrest from being defeated by resistance or escape; and

(ii) the person to be arrested has committed or attempted a forcible felony or is attempting to escape and possesses a deadly weapon, or otherwise indicates that he will endanger human life or inflict serious bodily injury unless arrested without delay.

(2) A peace officer making an arrest pursuant to an invalid warrant is justified in the use of any force which he would be justified in using if the warrant were valid, unless he knows that the warrant is invalid.

(b) Private person's use of force in making arrest.—

(1) A private person who makes, or assists another private person in making a lawful arrest is justified in the use of any force which he would be justified in using if he were summoned or directed by a peace officer to make such arrest, except that he is justified in the use of deadly force only when he believes that such force is necessary to prevent death or serious bodily injury to himself or another.

(2) A private person who is summoned or directed by a peace officer to assist in making an arrest which is unlawful, is justified in the use of any force which he would be justified in using if the arrest were lawful, unless he knows that the arrest is unlawful.

(3) A private person who assists another private person in effecting an unlawful arrest, or who, not being summoned, assists a peace officer in effecting an unlawful arrest, is justified in using any force which he would be justified in using if the arrest were lawful, if:

(i) he believes the arrest is lawful; and

(ii) the arrest would be lawful if the facts were as he believes them to be.

(c) Use of force regarding escape.—

(1) A peace officer, corrections officer or other person who has an arrested or convicted person in his custody is justified in the use of such force to prevent the escape of

PENNSYLVANIA LAWS RELATING TO FIREARMS

the person from custody as the officer or other person would be justified in using under subsection (a) if the officer or other person were arresting the person.

(2) A peace officer or corrections officer is justified in the use of such force, including deadly force, which the officer believes to be necessary to prevent the escape from a correctional institution of a person whom the officer believes to be lawfully detained in such institution under sentence for an offense or awaiting trial or commitment for an offense.

(3) A corrections officer is justified in the use of such force, which the officer believes to be necessary to defend himself or another from bodily harm during the pursuit of the escaped person. However, the officer is justified in using deadly force only when the officer believes that such force is necessary to prevent death or serious bodily injury to himself or another or when the officer believes that:

(i) such force is necessary to prevent the apprehension from being defeated by resistance; and

(ii) the escaped person has been convicted of committing or attempting to commit a forcible felony, possesses a deadly weapon or otherwise indicates that he will endanger human life or inflict serious bodily injury unless apprehended without delay.

(d) Use of force to prevent suicide or the commission of crime.—

(1) The use of force upon or toward the person of another is justifiable when the actor believes that such force is immediately necessary to prevent such other person from committing suicide, inflicting serious bodily injury upon himself, committing or consummating the commission of a crime involving or threatening bodily injury, damage to or loss of property or a breach of the peace, except that:

(i) Any limitations imposed by the other provisions of this chapter on the justifiable use of force in self-protection, for the protection of others, the protection of property, the effectuation of an arrest or the prevention of an escape from custody shall apply notwithstanding the criminality of the conduct against which such force is used.

(ii) The use of deadly force is not in any event justifiable under this subsection unless:

(A) the actor believes that there is a substantial risk that the person whom he seeks to prevent from committing a crime will cause death or serious bodily injury to another unless the commission or the consummation of the crime is prevented and that the use of such force presents no substantial risk of injury to innocent persons; or

(B) the actor believes that the use of such force is necessary to suppress a riot or mutiny after the rioters or mutineers have been ordered to disperse and warned, in any particular manner that the law may require, that such force will be used if they do not obey.

(2) The justification afforded by this subsection extends to the use of confinement as preventive force only if the actor takes all reasonable measures to terminate the confinement as soon as he knows that he safely can, unless the person confined has been arrested on a charge of crime.

(18 Pa.C.S. § 508)

§ 5704. Exceptions to prohibition of interception and disclosure of communications.

It shall not be unlawful and no prior court approval shall be required under this chapter [the Wiretapping and Electronic Surveillance Control Act] for:

* * *

PENNSYLVANIA LAWS RELATING TO FIREARMS

§ 5713.1. Emergency hostage and barricade situations.

(a) Designation.—The Attorney General or a district attorney may designate supervising law enforcement officers for the purpose of authorizing the interception of wire or oral communications as provided in this section.

(b) Procedure.—A supervising law enforcement officer who reasonably determines that an emergency situation exists that requires a wire or oral communication to be intercepted before an order authorizing such interception can, with due diligence, be obtained, and who determines that there are grounds upon which an order could be entered under this chapter [the Wiretapping and Electronic Surveillance Control Act] to authorize such interception, may intercept such wire or oral communication. An application for an order approving the interception must be made by the supervising law enforcement officer in accordance with section 5709 (relating to application for order) within 48 hours after the interception has occurred or begins to occur. Interceptions pursuant to this section shall be conducted in accordance with the procedures of this subchapter [18 Pa.C.S. Ch. 57 Subch. A (relating to general provisions)]. Upon request of the supervising law enforcement officer who determines to authorize interceptions of wire communications under this section, a provider of electronic communication service shall provide assistance and be compensated therefor as provided in section 5712(f) (relating to issuance of order and effect). In the absence of an order, such interception shall immediately terminate when the situation giving rise to the hostage or barricade situation ends or when the application for the order is denied, whichever is earlier. In the event such application for approval is denied or in any other case where the interception is terminated without an order having been issued, the contents of any wire or oral communication intercepted shall be treated as having been obtained in violation of this subchapter, and an inventory shall be served as provided in section 5716 (relating to service of inventory and inspection of intercepted communications). Thereafter, the supervising law enforcement officer shall follow the procedures set forth in section 5713(b) (relating to emergency situations).

(c) Defense.—A good faith reliance on the provisions of this section shall be a complete defense to any civil or criminal action brought under this subchapter or any other statute against any law enforcement officer or agency conducting any interceptions pursuant to this section as well as a provider of electronic communication service who is required to provide assistance in conducting such interceptions upon request of a supervising law enforcement officer.

(v) The reason for issuance.

(vi) The period of validation.

(4) The sheriff shall require a photograph of the licensee on the license. The photograph shall be in a form compatible with the Commonwealth Photo Imaging Network.

(5) The original license shall be issued to the applicant. The first copy of the license shall be forwarded to the Pennsylvania State Police within seven days of the date of issue. The second copy shall be retained by the issuing authority for a period of seven years. Except pursuant to court order, both copies and the application shall, at the end of the seven-year period, be destroyed unless the license has been renewed within the seven year period.

(f) Term of license.—

(1) A license to carry a firearm issued under subsection (e) shall be valid throughout this Commonwealth for a period of five years unless extended under paragraph (3) or sooner revoked.

(2) At least 60 days prior to the expiration of each license, the issuing sheriff shall send to the licensee an application for renewal of license. Failure to receive a renewal application shall not relieve a licensee from the responsibility to renew the license.

(3) Notwithstanding paragraph (1) or any other provision of law to the contrary, a license to carry a firearm that is held by a member of the United States Armed Forces or the Pennsylvania National Guard on Federal active duty and deployed overseas that is scheduled to expire during the period of deployment shall be extended until 90 days after the end of the deployment.

(4) Possession of a license, together with a copy of the person's military orders showing the dates of overseas deployment, including the date that the overseas deployment ends, shall constitute, during the extension period specified in paragraph (3), a defense to any charge filed pursuant to section 6106 (relating to firearms not to be carried without a license) or 6108 (relating to carrying firearms on public streets or public property in Philadelphia).

(g) Grant or denial of license.—Upon the receipt of an application for a license to carry a firearm, the sheriff shall, within 45 days, issue or refuse to issue a license on the basis of the investigation under subsection (d) and the accuracy of the information contained in the application. The notice shall be sent by certified mail to the applicant at the address set forth in the application.

(h) Fee.—

PENNSYLVANIA LAWS RELATING TO FIREARMS

(ii) An administrative fee of \$5 under section 14(2) of the act of July 6, 1984 (P.L.614, No.127), known as the Sheriff Fee Act.

(2) (i) The Pennsylvania Commission on Crime and Delinquency shall implement, within five years of the effective date of this paragraph, a system in conjunction with the Pennsylvania State Police and the Pennsylvania Sheriffs' Association to standardize and modernize the process of issuing licenses to carry firearms. Upon implementation of the system under this paragraph, the Pennsylvania Commission on Crime and Delinquency shall publish notice thereof in the Pennsylvania Bulletin.

(ii) An additional temporary fee of \$5 shall be remitted by the sheriff to the Firearms License to Carry Modernization Account, which is hereby established as a special restricted receipt account within the General Fund of the State Treasury. Moneys and investment income in the account shall be awarded as grants to sheriffs to implement the system, including grants to reimburse sheriffs for expenses incurred prior to the effective date of this paragraph.

(iii) Moneys credited to the account and any investment income accrued are hereby appropriated on a continuing basis to the Pennsylvania Commission on Crime and Delinquency. The commission shall establish procedures related to the application process for and distribution of funds to sheriffs under this paragraph. Notwithstanding the provisions of subparagraph (ii), the commission may withhold annually an amount not exceeding 5% of the funds credited to the account in that fiscal year for the cost to implement the system under subparagraph (i) and for administrative costs directly related to the responsibilities of the commission under this paragraph.

(iv) This paragraph shall expire five years after its effective date. Any surplus funds remaining in the account established in subparagraph (ii) at such time shall lapse into the General Fund.

(3) An additional fee of \$1 shall be paid by the applicant for a license to carry a firearm and shall be remitted by the sheriff to the Firearms License Validation System Account, which is hereby established as a special restricted receipt account within the General Fund of the State Treasury. The account shall be used for purposes under subsection (l). Moneys credited to the account and any investment income accrued are hereby appropriated on a continuing basis to the Pennsylvania State Police.

(4) No fee other than that provided by this subsection or the Sheriff Fee Act may be assessed by the sheriff for the performance of any background check made pursuant to this act.

(5) The fee is payable to the sheriff to whom the application is submitted and is payable at the time of application for the license.

(6) Except for the administrative fee of \$5 under section 14(2) of the Sheriff Fee Act, all other fees shall be refunded if the application is denied but shall not be refunded if a license is issued and subsequently revoked.

(7) A person who sells or attempts to sell a license to carry a firearm for a fee in excess of the amounts fixed under this subsection commits a summary offense.

(i) Revocation.—A license to carry firearms may be revoked by the issuing authority for good cause. A license to carry firearms shall be revoked by the issuing authority for any reason stated in subsection (e)(1) which occurs during the term of the permit. Notice of revocation shall be in writing and shall state the specific reason for revocation. Notice shall be sent by certified mail to the individual whose license is revoked, and, at that time, notice shall also be provided to the Pennsylvania State Police by electronic means, including e-mail or facsimile transmission, that

PENNSYLVANIA LAWS RELATING TO FIREARMS

the license is no longer valid. An individual whose license is revoked shall surrender the license to the issuing authority within five days of receipt of the notice. An individual whose license is revoked may appeal to the court of common pleas for the judicial district in which the individual resides. An individual who violates this section commits a summary offense.

(i.1) Notice to sheriff.—Notwithstanding any statute to the contrary:

(1) Upon conviction of a person for a crime specified in section 6105(a) or (b) or upon conviction of a person for a crime punishable by imprisonment exceeding one year or upon a determination that the conduct of a person meets the criteria specified in section 6105(c)(1), (2), (3), (5), (6) or (9), the court shall determine if the defendant has a license to carry firearms issued pursuant to this section. If the defendant has such a license, the court shall notify the sheriff of the county in which that person resides, on a form developed by the Pennsylvania State Police, of the identity of the person and the nature of the crime or conduct which resulted in the notification. The notification shall be transmitted by the judge within seven days of the conviction or determination.

(2) Upon adjudication that a person is incompetent or upon the involuntary commitment of a person to a mental institution for inpatient care and treatment under the act of July 9, 1976 (P.L.817, No.143), known as the Mental Health Procedures Act, or upon involuntary treatment of a person as described under section 6105(c)(4), the judge of the court of common pleas, mental health review officer or county mental health and mental retardation administrator shall notify the sheriff of the county in which that person resides, on a form developed by the Pennsylvania State Police, of the identity of the person who has been adjudicated, committed or treated and the nature of the adjudication, commitment or treatment. The notification shall be transmitted by the judge, mental health review officer or county mental health and mental retardation administrator within seven days of the adjudication, commitment or treatment.

(j) Immunity.—A sheriff who complies in good faith with this section shall be immune from liability resulting or arising from the action or misconduct with a firearm committed by any individual to whom a license to carry a firearm has been issued.

(k) Reciprocity.—

(1) The Attorney General shall have the power and duty to enter into reciprocity agreements with other states providing for the mutual recognition of a license to carry a firearm issued by the Commonwealth and a license or permit to carry a firearm issued by the other state. To carry out this duty, the Attorney General is authorized to negotiate reciprocity agreements and grant recognition of a license or permit to carry a firearm issued by another state.

(2) The Attorney General shall report to the General Assembly within 180 days of the effective date of this paragraph and annually thereafter concerning the agreements which have been consummated under this subsection.

(l) Firearms License Validation System.—

(1) The Pennsylvania State Police shall establish a nationwide toll-free telephone number, known as the Firearms License Validation System, which shall be operational seven days a week, 24 hours per day, for the purpose of responding to law enforcement inquiries regarding the validity of any Pennsylvania license to carry a firearm.

(2) Notwithstanding any other law regarding the confidentiality of information, inquiries to the Firearms License Validation System regarding the validity of any Pennsylvania license to carry a firearm may only be made by law enforcement personnel acting within the scope of their official duties.

PENNSYLVANIA LAWS RELATING TO FIREARMS

(3) Law enforcement personnel outside this Commonwealth shall provide their originating agency identifier number and the license number of the license to carry a firearm which is the subject of the inquiry.

(4) Responses to inquiries by law enforcement personnel outside this Commonwealth shall be limited to the name of the licensee, the validity of the license and any information which may be provided to a criminal justice agency pursuant to Chapter 91 (relating to criminal history record information).

(m) Inquiries.—

(1) The Attorney General shall, not later than one year after the effective date of this subsection and not less than once annually, contact in writing the appropriate authorities in any other state which does not have a current reciprocity agreement with the Commonwealth to determine if:

- (i) the state will negotiate a reciprocity agreement;
- (ii) a licensee may carry a concealed firearm in the state; or
- (iii) a licensee may apply for a license or permit to carry a firearm issued by the state.

(2) The Attorney General shall maintain a current list of those states which have a reciprocity agreement with the Commonwealth, those states which allow licensees to carry a concealed firearm and those states which allow licensees to apply for a license or permit to carry a firearm. This list shall be posted on the Internet, provided to the Pennsylvania State Police and made available to the public upon request.

(m.1) Temporary emergency licenses.—

(1) A person seeking a temporary emergency license to carry a concealed firearm shall submit to the sheriff of the county in which the person resides all of the following:

(i) Evidence of imminent danger to the person or the person's minor child. For purposes of this subparagraph, the term "minor" shall have the same meaning as provided in 1 Pa.C.S. § 1991 (relating to definitions).

(ii) A sworn affidavit that contains the information required on an application for a license to carry a firearm and attesting that the person is 21 years of age or older, is not prohibited from owning firearms under section 6105 (relating to persons not to possess, use, manufacture, control, sell or transfer firearms) or any other Federal or State law and is not currently subject to a protection from abuse order or a protection order issued by a court of another state.

(iii) In addition to the provisions of subsection (h), a temporary emergency license fee established by the Commissioner of the Pennsylvania State Police for an amount that does not exceed the actual cost of conducting the criminal background check or \$10, whichever is less.

(iv) An application for a license to carry a firearm on the form prescribed pursuant to subsection (c).

(2) Upon receipt of the items required under paragraph (1), the sheriff immediately shall conduct a criminal history, juvenile delinquency and mental health record check of the applicant pursuant to section 6105. Immediately upon receipt of the results of the records check, the sheriff shall review the information and shall determine whether the applicant meets the criteria set forth in this subsection. If the sheriff determines that the applicant has met all of the criteria, the sheriff shall immediately issue the applicant a temporary emergency license to carry a concealed firearm.

(3) If the sheriff refuses to issue a temporary emergency license, the sheriff shall specify the grounds for the denial in a written notice to the applicant. The applicant may

PENNSYLVANIA LAWS RELATING TO FIREARMS

appeal the denial or challenge criminal records check results that were the basis of the denial, if applicable, in the same manner as a denial of a license to carry a firearm under this section.

(4) A temporary emergency license issued under this subsection shall be valid for 45 days and may not be renewed. A person who has been issued a temporary emergency license under this subsection shall not be issued another temporary emergency license unless at least five years have expired since the issuance of the prior temporary emergency license. During the 45 days the temporary emergency license is valid, the sheriff shall conduct an additional investigation of the person for the purposes of determining whether the person may be issued a license pursuant to this section. If, during the course of this investigation, the sheriff discovers any information that would have prohibited the issuance of a license pursuant to this section, the sheriff shall be authorized to revoke the temporary emergency license as provided in subsection (i).

(5) The temporary emergency license issued pursuant to this section shall be consistent with the form prescribed in subsection (e)(3), (4) and (5). In addition to the information provided in those paragraphs, the temporary emergency license shall be clearly marked "Temporary."

(6) A person who holds a temporary emergency license to carry a firearm shall have the same rights to carry a firearm as a person issued a license to carry a firearm under this section. A licensee under this subsection shall be subject to all other duties, restrictions and penalties under this section, including revocation pursuant to subsection (i).

(7) A sheriff who issues a temporary emergency license to carry a firearm shall retain, for the entire period during which the temporary emergency license is in effect, the evidence of imminent danger that the applicant submitted to the sheriff that was the basis for the license, or a copy of the evidence, as appropriate.

(8) A person applying for a temporary emergency license shall complete the application required pursuant to subsection (c) and shall provide at the time of application the information required in paragraph (1).

(9) Prior to the expiration of a temporary emergency license, if the sheriff has determined pursuant to investigation that the person issued a temporary emergency license is not disqualified and if the temporary emergency license has not been revoked pursuant to subsection (i), the sheriff shall issue a license pursuant to this section that is effective for the balance of the five-year period from the date of the issuance of the temporary emergency license. Records and all other information, duties and obligations regarding such licenses shall be applicable as otherwise provided in this section.

(10) As used in this subsection, the term "evidence of imminent danger" means:

(i) a written document prepared by the Attorney General, a district attorney, a chief law enforcement officer, judicial officer or their designees describing the facts that give a person reasonable cause to fear a criminal attack upon the person or the person's minor child. For the purposes of this subparagraph, the term "chief law enforcement officer" shall have the same meaning as provided in 42 Pa.C.S. § 8951 (relating to definitions) and "judicial officer" shall have the same meaning as provided in 42 Pa.C.S. § 102 (relating to definitions).

(ii) a police report.

(m.2) Inconsistent provisions.—Notwithstanding the provisions of section 7506 (relating to violation of rules regarding conduct on Commonwealth property), 75 Pa.C.S. § 7727 (relating to additional limitations on operation) or the act of June 28, 1995 (P.L.89, No.18), known as the

PENNSYLVANIA LAWS RELATING TO FIREARMS

- (1) a law enforcement officer whose current identification as a law enforcement officer shall be construed as a valid license to carry a firearm; or
- (2) any licensee.

(m.3) Construction.—Nothing in this section shall be construed to:

- (1) Permit the hunting or harvesting of any wildlife with a firearm or ammunition not otherwise permitted by 34 Pa.C.S. (relating to game).
- (2) Authorize any Commonwealth agency to regulate the possession of firearms in any manner inconsistent with the provisions of this title [18 Pa.C.S. (relating to crimes and offenses)].

The record shall be maintained by the licensee for a period of 20 years.

(6) No firearm as defined in section 6102 (relating to definitions) shall be displayed in any part of any premises where it can readily be seen from the outside. (ii) The court's order shall contain a list of any firearm, other weapon or ammunition ordered relinquished. Relinquishment may occur pursuant to section 6108.2 (relating to relinquishment for consignment sale, lawful transfer or safekeeping) or 6108.3 or to the sheriff pursuant to this paragraph. Where the sheriff is designated, the sheriff shall secure custody of the defendant's firearms, other weapons or ammunition and any firearm license listed in the court's order for the duration of the order or until otherwise directed by court order. In securing custody of the defendant's relinquished firearms, the sheriff shall comply with 18 Pa.C.S. § 6105(f)(4) (relating to persons not to possess, use, manufacture, control, sell or transfer firearms). In securing custody of the defendant's other weapons and ammunition, the sheriff shall provide the defendant with a signed and dated written receipt which shall include a detailed description of the other weapon or ammunition and its condition.

(iii) The sheriff shall provide the plaintiff with the name of the person to which any firearm, other weapon or ammunition was relinquished.

(iv) Unless the defendant has complied with subparagraph (i)(B) or section 6108.2 or 6108.3, if the defendant fails to relinquish any firearm, other weapon, ammunition or firearm license within 24 hours or upon the close of the next business day due to closure of sheriffs' offices or within the time ordered by the court upon cause being shown at the hearing, the sheriff shall, at a minimum, provide immediate notice to the court, the plaintiff and appropriate law enforcement agencies.

- (B) as necessary, by law enforcement and court personnel; or
- (C) after redaction of information listing any firearm, other weapon or ammunition.

(vi) As used in this paragraph, the term "defendant's firearms" shall, if the defendant is a licensed firearms dealer, only include firearms in the defendant's personal firearms collection pursuant to 27 CFR § 478.125a (relating to personal firearms collection).

§ 6181. Scope of subchapter.

This subchapter [D of Chapter 61] provides for the establishment of the Straw Purchase Prevention Education Program within the Office of Attorney General.

(18 Pa.C.S. § 6181)

§ 6182. Legislative findings and declarations.

The General Assembly finds and declares that:

(1) The illegal purchase of firearms throughout this Commonwealth is a threat to public safety and security.

PENNSYLVANIA LAWS RELATING TO FIREARMS

(2) Urban areas are experiencing increased violence as a result of criminal misuse of firearms. Stemming the flow of these illegal firearms through straw purchases will help to curb the crime rate throughout this Commonwealth and increase public safety.

(3) Educating the public that illegally purchasing a firearm for someone otherwise prohibited from possessing one is a serious crime and punishable under Federal law by ten years' imprisonment advances public safety.

(4) Committed to educating firearms dealers and the general public, the National Shooting Sports Foundation, in partnership with the Bureau of Alcohol, Tobacco, Firearms and Explosives, in July 2000 created the "Don't Lie for the Other Guy Program."

(5) The "Don't Lie for the Other Guy Program" was developed to raise public awareness that it is a serious crime to purchase a firearm for someone who cannot legally do so and to educate firearms dealers on how to better detect and deter potential straw purchases. The campaign delivers the message that anyone attempting an illegal firearm purchase faces a stiff Federal penalty.

(6) The "Don't Lie for the Other Guy Program" is vital to educating federally licensed firearms dealers and their employees on how to recognize and deter the illegal purchase of firearms through straw purchases. This program is an important tool for the Bureau of Alcohol, Tobacco, Firearms and Explosives to pursue its mission of preventing terrorism, reducing violent crime and protecting the public.

(7) The nationally recognized "Don't Lie for the Other Guy Program" has been endorsed by United States attorneys throughout the nation, various law enforcement agencies, the Bureau of Alcohol, Tobacco, Firearms and Explosives and the Department of Justice.

(8) It is in the best interest of this Commonwealth to establish a straw purchase prevention education program within the Office of Attorney General to provide resources and direct grant money to the "Don't Lie for the Other Guy Program" and similar programs that offer straw purchase prevention education.
